Sutron Reports First 9 Months Bookings for 2010

October 5, 2010, Sterling, VA -- Sutron Corporation (NASDAQ:STRN), a leading provider of hydrological, meteorological, and oceanic monitoring products, systems, software and services, today announced that during September the company received bookings of \$2,204,698.

These bookings were generated by year end monies from many Federal Government Agencies including NOAA/NOS, Corps of Engineers, Bureau of Reclamation, and the U. S. Geological Survey as well as several State and Local Governments, Utilities, Universities, Irrigation Companies, and Farmers. September orders were also placed by Canada, Germany, Peru, Guatemala, and Panama.

Bookings for the first nine months of the year 2010 total \$20,504,410. In light of the first three quarters' bookings performance, the company expects to achieve record bookings for 2010.

Headquartered in Sterling, Virginia, with offices throughout the USA and worldwide, Sutron Corporation was founded in 1975.

The statements in this press release that relate to future plans, events or performance are "forward-looking statements" within the meaning of the Private Securities Litigation Act of 1995. Forward-looking statements include without limitation any statements regarding our expected future financial position, results of operations, cash flows, financing plans, business strategy, products and services, competitive positions, growth opportunities, plans and objectives of management for future operations, as well as statements that include words such as "anticipate," "if," "believe," "plan," "estimate," "expect," "intend," "may," "should" and other similar expressions are forward-looking statements. All forward-looking statements involve risks, uncertainties and contingencies which may cause actual results, performance, or achievements to differ materially from anticipated results, performance, or achievements. Factors that may cause actual results to differ materially from those in the forward-looking statements include those set forth in our filings with the SEC, including the disclosure under the heading "Business" and "Management's Discussion and Analysis" in the Company's Annual Report on Form 10-K filed on March 31, 2009. We are under no obligation to update or alter our forward-looking statements, whether as a result of new information, future events or otherwise.
