

SDI-12 SHAFT ENCODER ACCESSORIES

FLOAT WHEELS & SPROCKETS

- 5100-0118 FLOAT WHEEL for 5/16" Shaft
375mm/ Revolution
Use with Beaded Chain
- 5100-0501 FLOAT WHEEL for 1/4" Shaft
1 foot /Revolution
Aluminum with nylon insert
Use with Steel Tape Perforated at 2.4" intervals
- 5100-0502 FLOAT WHEEL for 5/16" Shaft
1 foot /Revolution
Aluminum with nylon insert
Use with Steel Tape Perforated at 2.4" intervals
- 5100-0503 FLOAT WHEEL, 1/4" Shaft
500 mm/Revolution
Aluminum with nylon insert
Use with Steel Tape Perforated at 2.4" intervals
- 5100-0504 FLOAT WHEEL, 5/16" Shaft
500 mm/Revolution
Aluminum with nylon insert
Use with Steel Tape Perforated at 2.4" intervals

BEADED CHAIN

- 5100-0580** Beaded Chain with 6 in. centers for use with beaded cable wheels (specify length)
- 5100-0581** Beaded Chain with 12.5cm centers for use with beaded cable wheels (specify length)
- 5100-0581-10** Beaded Chain with 12.5cm centers for use with beaded cable wheels, 10 meters length

PERFORATED STEEL TAPES

Graduated in feet or meters, steel tape is punched at 2.4 inch (0.2 foot) intervals for shaft encoders & float wheels or punched at 0.5 foot or 6 inch intervals to fit loggers.

- 4211-1010 Perforated UNMARKED STEEL TAPE, 2.4 in. center
 - 4211-1010-15 15 feet length
 - 4211-1010-25 25 feet length
 - 4211-1010-35 35 feet length
 - 4211-1010-50 50 feet length
 - 4211-1010-75 75 feet length
 - 4211-1010-100 100 feet length*
- 4211-1008 Perforated UNMARKED STEEL TAPE, 12.5 c.m. center
 - 4211-1008-10 10 meters length
 - 4211-1008-15 15 meters length
 - 4211-1008-25 25 meters length*

* Longer lengths available

FLOATS, WEIGHTS, & HOOKS

- 5100-0520-1** 4 in. Diameter Copper Float for use with steel tapes and chains
- 5100-0520-2** 4 in. Diameter PVC Float for use with steel tapes and chains
- 5100-0530-1** 6 in. Diameter Copper Float
- 5100-0530-2** 6 in. Diameter PVC Float
- 5100-0540** 4 ounce Counterweight (requires end hook set)
- 5100-0550** 8 ounce Counterweight (requires end hook set)
- 5100-0620-1** End Hook Set for use with floats and counterweights (2 hooks /set)
